

WHO WE ARE. HOW WE WORK.

COMPANY GOALS:

We strive to...

WORK SAFELY, EVERYDAY (SAFETY)

Prioritize safety in every decision, operation, and project, keeping our communities and infrastructure protected.

DELIVER ENERGY RELIABILITY (SERVICE)

Provide safe, reliable and affordable energy for the over 750,000 families who depend on us.

RESPECT EACH OTHER (INCLUSION)

Foster a workplace where diverse perspectives drive better decisions and every employee can contribute and succeed.

INVEST IN OUR COMMUNITIES (COMMUNITY)

Contribute positively to the communities where we live and work.

THINK FORWARD AND EMBRACE INNOVATION (INNOVATION)

Encourage new ideas and enhance technology and infrastructure to lead the future of energy.

Built on trust. Built for the future.
